

Notice of Intent to Withdraw

Students who withdraw from DP Christian School for any reason during the school year must have a withdrawal letter written by their parent or guardian stating their reason for withdrawal and the last day of attendance. This letter is needed for students to enroll in their next school.

Students who do not give at least a 30-day notice of intent to withdraw will still be charged one full month of tuition. Book and material, registration, sports, hot lunches, and upcoming event fees will not be refunded.
